## Performance Review Policy

### Purpose

This policy establishes a structured process for evaluating employee performance, setting goals, and supporting professional development.

### Review Frequency

Employee performance reviews are conducted annually. Additional reviews may be conducted based on business requirements.

### Probation Review

New employees undergo a performance review at the end of their 6-month probation period.

### Performance Evaluation Criteria

Employees are assessed based on:

- Quality of Work
- Productivity
- Technical Skills
- Communication Skills
- Team Collaboration
- Professional Conduct

### Rating Scale

Performance is evaluated using a five-point scale:

| Rating | Description          |
|--------|----------------------|
| 5      | Outstanding          |
| 4      | Exceeds Expectations |
| 3      | Meets Expectations   |
| 2      | Needs Improvement    |
| 1      | Unsatisfactory       |

## Goal Setting

Employees and managers shall jointly establish performance goals at the beginning of each review cycle.

## Promotion and Career Growth

Promotion decisions are based on performance ratings, skills, business needs, and leadership potential.

## Performance Improvement Plan

Employees receiving ratings below expectations may be placed on a Performance Improvement Plan (PIP) with defined objectives and timelines.
